- Thank you to every student (and parents & staff) who supported this year’s Marian Anzac Day parade and service. The Marian Branch of the RSL was very appreciative of the student and community roll up. It was another special service.

Parade moves from Maude Louise st intersection through Louie St, turns right into Victoria St, does a U turn in front of Dr Hall’s, moves back up Victoria St, to a U turn in front of the Council and continues on back down Victoria St past the Louie St intersection until it can make its way to vacant allotment near the council to the school signs. Children gather at their appointed school signs for parental pickup. Lanterns to be left in this area.

- Our Marian rugby league team plays this Wednesday and Friday.

- Top touch players (girls & boys) wishing to nominate for PV trials must check in with Mr Schmidt tomorrow. Trials are this Friday.

- The fundraising committee is so important that we all help a little because the saying ‘many hands make light work’ is so true! A big thing to remember is that the more parents we have volunteer, the less time each parent needs to spend helping at that event! Please, don’t lose sight of why we are fundraising. When the hall was built, it included a room set up for an IT and our plan for this year’s Fair is to raise money to fill it with new computers – which your child will benefit greatly from! Unfortunately our school does not have a never-ending budget which is why we work as parents and P&C so important – it gives us the opportunity to enrich our children’s schooling experience.

- A meeting was held on Friday 27/04/12. Minutes will be sent home with your children this week – please look out for it and drop your responses into the red box or email Kylie above.
