PRINCIPAL’S REPORT

REA Success

Commendations to our Year 7 Re-engineering F1 in Schools Team, who contested the Regional Finals at St Pats last Friday. The F1 in Schools Technology Challenge is the world’s largest secondary school technology program. It involves over nine million students from 17,000 schools in 31 nations. Talented primary students from progressive schools are invited to attend.

Each year the program engages more than 40000 high school students in Australia and delivers industry-standard technology into schools which is made available to a further 300,000 students outside the program. Our students design, test and make miniature F1™ cars capable of 80km/h.

But it is not about fast cars. F1 in Schools™ is a holistic action learning program which focuses on developing long term employability skills. Students learn leadership, team.
Our Year 3s participate in Bike Education classes at the PCYC in Mackay this week. Students must be at the school by 8:15am.

Good luck to Chontelle M & Kayle P who participate in Wednesday’s Pioneer Valley Public Speaking finals at Walkerston.

ARTS DAY OF EXCELLENCE is also rapidly approaching – families very welcome to attend Wed 12 September

Interschool sport this week against Walkerston – good luck all teams

Best wishes to Kim Emms and Sue Wales who have commenced leave this week. Welcome to Patricia Ransome who is replacing Sue and Katie Angus who is replacing Kim.

On behalf of our school community may I offer our sympathies to all families and friends involved in recent tragedies in the valley. Our thoughts and prayers are with you all.

Regards,

Principal

2013 Sydney/Canberra Trip

A massive thank you to those parents for organising your child’s $400 deposit so promptly, please keep them coming. Also, thank you to those parents who have informed us of your child’s intentions to no longer attend the trip. Please remember, I am available to speak with parents about the trip, please phone the office to make an appointment. All information is extremely valuable now that we are finalising numbers for coach and flight bookings.

Thanks Casey Worth

Coles Sports for Schools

THANK YOU to all families who supported the Coles voucher initiative by collecting vouchers, and a massive thank you to parents and students who counted the vouchers. All vouchers must be counted and returned to school by Monday 10 September. We currently have a tally of 25 559 vouchers, with 2 large bags left to count ☺.

Thank you again for your support and cooperation.

Sydney/Canberra Fundraising

Thank you everyone for your support of the Father’s Day Raffle. The winners were: 1st: S. Liddle, 2nd: Jake A and 3rd: Renee S.
We will be having a SYD/CAN fundraising meeting at 3:15pm in G Block on Friday the 7th (this Friday).

An update from The Fundraising Committee
Did you know that BMA employees who volunteer may be eligible to claim for your time to help out our school? If you fall into this category please contact us for more information. Unfortunately some Year levels still need a lot of help to fill their rosters. Keep a look out this week for the rosters being sent home or outside of your child's classroom. Please please please if you could spare 30min-1 hr. to help your child’s Year level it would be greatly appreciated by all. We have well over 500 students who attend MSS and would love to put on a Fair for them to remember……………..could all co-ordinators please contact either of us to discuss whatever time slots you have left and what P and C jobs you had? Thanks

Janelle Plant our Year 3 co-ordinator needs help from 6-7pm………… and Kerri Turner our Year 4 co-ordinator needs help from 6pm onwards…………………

The Year 3 co-ordinator has asked if anyone would like to drop any pre-loved books and DVD’s to the library for their Second hand Book Stall for our Fair. They are looking for a wide variety of books from children to adult and any special interest magazines e.g. fishing/craft/cooking etc.

The Year 7’s are running a Bottle Stall for the Spring Fair and are asking for donations, these can be store bought or can contain homemade items. If you would like to fill your own bottles, some ideas are jams, jellies, fudge, biscuits, sugar coated peanuts, cotton balls or buds, pencils, rubber bands or hair ties etc. There is a box in the Year 7 k classroom marked Spring Fair where you can leave them. Thank you in advance for your assistance in helping out the Year 7’s.
