A GREETING FROM YOUR NEW PRINCIPAL !!!

I am delighted to have been offered the opportunity to become your Principal at the Marian State School. I apologise for this impersonal mode of communication but wish to take this opportunity to explain the unusual circumstances surrounding my appointment.

Last year I successfully applied for a position as a Education Queensland Teaching & Learning Auditor. Earlier this year I completed training for this role and have committed to fulfilling the responsibilities of a Teaching & Learning Auditor for the first 17 weeks of Semester Two this year. As a Teaching & Learning Auditor, I will be providing valuable feedback about teaching and learning processes to many other schools. However, this opportunity will also be a period of enormous professional growth which will then be of significant benefit to the Marian community once I have completed my duties in this role. Unfortunately all this means I will not be able to take up duty at Marian until Monday, November 18.

Until then, I wish to place on record my thanks for Casey Harej and Annette Wilson for leading our school during Semester One this year. We wish Casey all the best for her maternity leave and thank Annette for continuing on as Acting Deputy Principal in Semester Two. Can I also welcome and thank Mrs Melody Hughes for accepting the position of Acting Principal until mid November. Melody is a recently retired primary school Principal who will bring enormous experience and wisdom to our school community during this period. I also acknowledge the combined efforts of the teaching and non-teaching staff who will continue to provide a high quality educational service to the Marian school community. In my absence, I know our school is in good hands!

I come to Marian with over 30 years of experience as a teacher and school leader in state schools. While it is with some sadness I leave the Andergrove school community, I am excited about joining you all and making what I believe to be a great school, even better. I look forward to meeting you personally in November and will keep in touch until then.

Best wishes, Peter Mandryk

SPORTING NEWS

The Skip-A-Thon went well with our Yr7 leaders doing a great job of demonstrating and assisting.

The P&C is still counting the Skip-A-Thon money and will advise when the total is counted. A great effort from our students. Well done, Team!

Our school Athletics Carnival is next week on Tuesday & Wednesday. A Programme is included in this newsletter. All students are training keenly and there will be some good match ups to watch on the day.

Bye for now

YR6/7 SYDNEY/CANBERRA TRIP

This Thursday at school, all students attending camp will meet to discuss some finer details for the upcoming trip. All campers will receive the Camp Newsletter No. 3 that will focus on spending money and orders yet to complete. Next term a reviewed itinerary will be sent home with updated information (including flight schedules which are subject to change). Parents will also be required to update any medical information at this time.

At this stage we have four teachers attending camp – Miss Grobe, Mrs Duncan, Miss Ford and Mr Van Beek. There are also four parents supporting our teaching staff. Thanks to all families who have submitted all forms and payment. **Remember – Final payment for camp is due this Friday, 14th June.**

- Applying strategies to identify angles**
- Tackling spelling rules**

- Thinking about the importance of families**
- Exploring procedures and dialogue**
- Rehearsing and performing Bullying Plays**
- Modifying Technology designs**

2 many things to mention!!!!

Year 2C, 2S, 2H & 2E

Children have enjoyed the fun days such as crazy hair day, blue day and HPE Day of Excellence. But, seriously, this term has been about Year Two’s being busy, busy, busy. They have been looking at stereotypes in English and changing character traits of fairy-tale characters to write interesting character descriptions (eg “Everyone thinks I’m a big, bad wolf, but actually I’m from a new generation.” – Ethan Wales). Maths sessions were fun in all classrooms with activities such as mapping out your own classroom; measuring length; telling time to the half hour; and finally discovering that ‘times’ actually means ‘groups of’, along with the tricky business of ‘fact families’ and ‘part/part/whole’ equations! Scientists in Year Two have discovered how to make simple toys using ‘push and pull’ forces, while those of us who are social-minded enjoyed learning all about our nearest neighbours (Asian countries) and their customs and celebrations. We also have discussed safety on our roads and are going to keep ourselves safe on our bikes and scooters over the school

holidays! Have a great holiday, everyone and we all hope to see everyone back after the holidays, refreshed and ready for another busy term.
