FROM THE ADMIN TEAM

Our **newsletter** has been coming out weekly for some time. It is sometimes hard to find things that need to go out each week and so the newsletter will be fortnightly from now on. This will enable us to get all of the necessary messages to you while freeing up some office time which can be used for the many jobs the ladies in the office need to complete. If you are wishing to contribute anything to the newsletter please have it to the office on the Monday preceding the distribution dates of 13 August, 27 August and 10 September for Term 3.

This week is **National Literacy and Numeracy Week**. This week, classes will be setting up a display, in their classrooms, of their best literacy and numeracy work which you may like to view before parade on Friday morning. Students will also be taking part in an activity called "This is Rubbish" as part of the celebrations of the week. I will leave your children to tell you about the activity and we will hear some of their results on parade on Friday.

A lot of preparation has gone into our **Year 6 and Year 7 camp to Sydney and Canberra**. The students and teachers leave this Thursday for a week and we wish them all the best for their trip. After just coming up to Queensland from that area I recommend that they take warm clothes as it has been very chilly down there lately. I am sure that they will have many exciting tales to tell us on their return.

From time to time we have staffing changes and I need to let you know that Mrs Annette Wilson will be taking leave for personal and family reasons for the rest of the year. I would like to thank Annette for her help over the last few weeks and we will all be looking forward to her return. I am sure that you will join me in wishing her well. In the short term Mrs Fleming will be Acting Deputy Principal and I will keep you informed when long term arrangements have been made.

We have had some enquiries about the timing of Parent/Teacher interviews. They will be held, for most classes, in Week 7, 19-22nd August. A note will come home soon for you to book a time to see your child's Teacher. If there is something that you wish to discuss before that time please feel free to make an appointment at a time that suits both you and the teacher you would like to see.

IT'S A GIRL!

Mrs Harej had a little girl last Tuesday evening, Amahlia Jane. Amahlia was 3.03kg and 51cm. Both mother and daughter are well.

A lot of the sporting activities have been completed now, or athletes are headed for higher representation. As mentioned last week, we have a number of athletes going to Pioneer High School this week (Wednesday) to represent Pioneer Valley in Track & Field.

Congratulations again to all those people and the very best of luck at this much tougher level. I'm sure you will all represent Pioneer Valley and Marian State School admirably and professionally.

3F Poems

The students were asked to learn and recite a poem, these three students wrote their own:

Happy Mother`s Day
By Sophie Montgomerie

I hope you have fun
You have been in my dreams
And you make them so fun
With all your kisses
You make me happy
On Mother`s day
I hope you
Feel happy

I am the sky
By Lily Johnson

I am the sky
so bright and blue.
If you look up
you will see a few
shapes. That I and my friends

the clouds make.
If you fly up in a plane.
Don't be shy
to say, "Hi!"
I'm just the sky
and I'm very high.

The door is creaking
by Baileigh-Maree Hammond

Terr was in the house,
"The door is creaking," he whispered.
Kellie was in the house'
"The door is creaking," she said.
Paul was in the house,

Enrolment Management- Mirani State High

With the extraordinary growth that we've experienced in the Valley over the past few years, enrolments at Mirani State High School have reached a point where we now need to be **enrolment managed**. The plan is based on a catchment area that covers a considerable part of the Pioneer Valley, including Marian and Mirani, Kuttabul and Hampden to our north, and Nebo to our west. However, schools that are now outside our catchment include Pleystowe, Walkerston, The Leap and Calen.

Students who live in our catchment gain automatic entry. There are a number of ways that future students outside our catchment can still be eligible for enrolment. These include students who have siblings who are enrolled at Mirani SHS at the time of their enrolment, students who have a parent or legal guardian employed by the school, students accepted into the school's *Advanced Computer-Aided Design and*

Manufacturing Program of Excellence, and students who winscholarships to the school.

If you are unsure whether your property falls in our catchment, the following website can help: <http://statistics.oesr.qld.gov.au/reverse-proxy/schools/catchment/catchmentmaps/>.
