"Developing lifelong learning skills in a supportive environment, enabling all student to reach their full potential"

Marian State School utilises the department designed and approved device management solution, "BYOxLink".

Please download the Intune Company Portal App from the Apple Store on your child's iPad. Then have your child sign in with his/her school email and password (**instructions will be supplied**). The school will have all required apps available within the Company Portal app for you to install (no need to download any other apps from the Apple App store).

Information about the Intune Company Portal App will be supplied to all new BYO iPad users. However, please see below for all apps utilised across our iPad classes.
