Our school strategies are showing substantial progress toward our targets

After reviewing our *Great Results Guarantee* agreement, it is clear that we have made progress toward our targeted student outcomes.

- Year 3, 5 & 7 students were 'statistically similar to the nation' for National Minimum Standard in all NAPLAN areas but Yr 3 Writing. Students requiring individual support have learning plans developed and implemented.
- Yr 3 students exceeded our Upper Two Bands target for Spelling and Yr 7 students exceeded our Upper Two Bands target for Reading.
- Prep-Yr 2 students have been supported to maximize achievement of our school based benchmark standards in Reading.

We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Establishment of school based aspirational standards for each year level and regular analysis of individual student, class, year level and whole school progress towards meeting school standards.
- Targeted Teacher Aide deployment to support individual student achievement in Reading.
- Targeted Teacher Aide deployment to support Challenge ('ability') Group structures.
- On-going professional development for Teacher Aide team to maximize their effectiveness when working with students.
- On-going professional development for teaching staff with a focus on teaching of Reading Comprehension and Explicit Instruction.
- Purchase of learning resources to support Reading programs.
- Initial planning and Teacher Aide training for the introduction of a modified Reading Recovery model in 2015.
